

Twin Lakes Georgia EB-5 Job Creation Report

Rural EB-5 project consisting of 1,300 single-family homes and amenities in Hoschton, Georgia Strong sales, access to visa set asides, and EB-5 loan secured by parent company repayment guaranty

June 30, 2024

Project Overview:

Twin Lakes Georgia is a master-planned active adult community consisting of 1,300 single-family homes and assorted amenities in Hoschton, Georgia, which is a rural area just outside of Atlanta. Homes at Twin Lakes are built with high-end features and have access to the community's abundant amenities, including a clubhouse, fitness center, social spaces, indoor swimming pool, outdoor swimming pool, nature trails, tennis courts, and one of the largest pickleball complexes in the southeastern United States. Twin Lakes Georgia is being developed by Kolter Homes—The Kolter Group's largest business line. EB-5 capital as a source of funding for Twin Lakes has been contemplated since the beginning of the project.

As of June 30, 2024, 652 homes have been sold, of which 527 have been constructed, closed, and turned over to buyers. Construction of the community's amenities is well underway and progressing on schedule; the main clubhouse, which houses the fitness center, indoor pool, outdoor pool, meeting spaces, and more, is complete and open to residents and their guests. The pickleball courts are also complete and open for use.

Job Creation:

As of June 30, 2024, Kolter has spent \$243.3 million on EB-5 eligible development activites. These expenditures have already created 3,297.1 qualifying jobs, which consists of 1,561.5 direct jobs and 1,735.6 indirect jobs. The Twin Lakes project currently expects to accept up to 451 EB-5 investors broken down as follows: one equity investor in EB5AN Twin Lakes Georgia Fund XII, LP, 50 preferred equity investors in EB5AN Twin Lakes Georgia Fund XIV, LP, 100 debt investors in EB5AN Twin Lakes Georgia Fund XXI, LP, 100 debt investors in EB5AN Twin Lakes Georgia Fund XXII, LP, and up to 100 debt investors in EB5AN Twin Lakes Georgia Fund XXII, LP. To date, more than enough EB-5 jobs have already been created to satisfy the USCIS job creation requirement for all 251 EB-5 investors in Fund XII, Fund XIV, Fund XVI, and Fund XXI. Enough jobs have already been created for the first 78 EB-5 investors in Fund XXII. Additionally, Fund XIV, Fund XXI, and Fund XXII have all received Form I-956F approval from USCIS, and numerous investors in Fund XIV and Fund XVI have received Form I-526E approval.

The following table illustrates job creation calculations through June 30, 2024. First, construction spend of \$243.3 million is adjusted for inflation using a price deflator derived from producer price index data published by the U.S. Bureau of Labor Statistics. Then, RIMS II multipliers for the impact area, published by the U.S. Bureau of Economic Analysis, are applied to the adjusted spend data to calculate the number of direct and indirect jobs. At completion, the project is expected to create approximately 6,934 EB-5 jobs.
