

I. Determination of EB-5 Compliance for an initial I-956F, Application for Approval of an Investment in a Commercial Enterprise

Through this Form I-956F and the documents submitted, the Regional Center requests determination of EB-5 compliance for an initial I-956F, Application for Approval of an Investment in a Commercial Enterprise. The Regional Center presented evidence asserting that 50 investors will invest \$40.0 million into EB5AN Twin Lakes Georgia Fund XIV, LP – the new commercial enterprise (NCE). The NCE will make an equity investment in KH Twin Lakes, the job creating entity (JCE). The JCE intends to develop a new, real estate development consisting of 1,300 Single-family residences and assorted amenities and is located in Hoschton, Georgia. The Regional Center asserts construction activity will last longer than two years.

After review of the documents submitted in connection with this request, USCIS has determined that the Regional Center has demonstrated that the initial I-956F, Application for Approval of an Investment in a Commercial Enterprise complies with EB-5 requirements.

USCIS approves the Form I-956F based on evidence submitted indicating that the investment from EB-5 petitioners will create approximately 3,135 direct jobs and 3,810 indirect/induced jobs for an estimated job total of 6,944.¹

USCIS also approves the Regional Center's assertion that the JCE is principally doing business within a rural area.

The designation of the proposed area as a rural targeted unemployment area is valid until two years from filing of date of I-956F.

The approval of an I-956F shall be binding for purposes of the adjudication of subsequent Forms I-526E, Immigrant Petition by Regional Center Investor, filed by immigrants investing in the same offering described in this I-956F application, and of petitions by the same immigrants filed under INA § 216A unless—

- (I) the applicant engaged in fraud, misrepresentation, or criminal misuse;

¹ INA § 203(b)(5)(E)(iv)(I) permits aliens seeking admission to satisfy only up to 90 percent of the job creation requirement with jobs that are estimated to be created indirectly through investment. An employee of the new commercial enterprise or job-creating entity may be considered to hold a job that has been directly created. If the jobs estimated to be created are created by construction activity lasting less than 2 years, Applicants may satisfy only up to 75 percent of the job creation requirement with jobs that are estimated to be created indirectly through investment. INA § 203(b)(5)(E)(iv)(II). If the number of direct jobs estimated to be created has been determined by an economically and statistically valid methodology, and such direct jobs are created by construction activity lasting less than 2 years, the number of such jobs that may be considered direct jobs for purposes of clause (iv) shall be calculated by multiplying the total number of such jobs estimated to be created by the fraction of the 2-year period that the construction activity lasts. INA § 203(b)(5)(E)(v)(II)(cc).

(II) such approval would threaten public safety or national security;

(III) there has been a material change that affects eligibility;

(IV) the discovery of other evidence affecting program eligibility was not disclosed by the applicant during the adjudication process; or

(V) the previous adjudication involved a material mistake of law or fact.

If the Regional Center has any questions concerning its designation under the Immigrant Investor Program, please contact the USCIS by email at:

USCIS.ImmigrantInvestorProgram@uscis.dhs.gov

Re: Initial I-956F, Application for Approval of an Investment in a Commercial Enterprise
INF2360003892

On June 26, 2023, EB5AN Affiliate Network Southeast Regional Center, LLC ("the Regional Center") filed a Form I-956F to request an Initial I-956F, Application for Approval of an Investment in a Commercial Enterprise in accordance with section 203(b)(5)(F) of the Immigration and Nationality Act ("INA"). The Regional Center was initially approved for designation in the Regional Center Program ("the Program")¹ on July 16, 2014.

Specifically, the Form I-956F requests the following:

- Determination of EB-5 compliance for initial I-956F, Application for Approval of an Investment in a Commercial Enterprise.

¹ INA § 203(b)(5)(E) and its predecessor at Sec. 610 of the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act of 1993, Pub. L. 102-395 (repealed by the EB-5 Reform and Integrity Act of 2022, Div. BB of the Consolidated Appropriations Act, 2022, Pub. L. No. 117-103).

Effective as of the date of this notice, and as discussed further below, USCIS approves the Regional Center's request.

I. Determination of EB-5 Compliance for an initial I-956F, Application for Approval of an Investment in a Commercial Enterprise

Through this Form I-956F and the documents submitted, the Regional Center requests determination of EB-5 compliance for an initial I-956F, Application for Approval of an Investment in a Commercial Enterprise. The Regional Center presented evidence asserting that 100 investors will invest \$80 million in EB-5 capital into EB5AN Twin Lakes Georgia Fund XVI, LP – the new commercial enterprise (NCE). The NCE will lend the entire amount to KH Twin Lakes Upstream Borrower, LLC, which will in turn lend the money to KH Twin Lakes, LLC, the job creating entity (JCE). The JCE intends to develop Twin Lakes Georgia, a master-planned community consisting of approximately 1300 single-family homes and associated amenities; located in Hoschton, Georgia.

After review of the documents submitted in connection with this request, USCIS has determined that the Regional Center has demonstrated that the initial I-956F, Application for Approval of an Investment in a Commercial Enterprise complies with EB-5 requirements.

The Regional Center asserts construction activity will last longer than 2 years. Therefore, USCIS approves the Form I-956F based on evidence submitted indicating that the investment from EB-5 petitioners will create sufficient direct jobs and indirect/induced jobs in accordance with INA § 203(b)(5)(E)(iv)(I) to support 100 EB-5 investors².

USCIS also approves the Regional Center's assertion that the JCE is principally doing business within a rural area.

The approval of an I-956F shall be binding for purposes of the adjudication of subsequent Forms I-526E, Immigrant Petition by Regional Center Investor, filed by immigrants investing in the same offering described in this I-956F application, and of petitions by the same immigrants filed under INA § 216A unless—

² INA § 203(b)(5)(E)(iv)(I) permits aliens seeking admission to satisfy only up to 90 percent of the job creation requirement with jobs that are estimated to be created indirectly through investment. An employee of the new commercial enterprise or job-creating entity may be considered to hold a job that has been directly created. If the jobs estimated to be created are created by construction activity lasting less than 2 years, Applicants may satisfy only up to 75 percent of the job creation requirement with jobs that are estimated to be created indirectly through investment. INA § 203(b)(5)(E)(iv)(II). If the number of direct jobs estimated to be created has been determined by an economically and statistically valid methodology, and such direct jobs are created by construction activity lasting less than 2 years, the number of such jobs that may be considered direct jobs for purposes of clause (iv) shall be calculated by multiplying the total number of such jobs estimated to be created by the fraction of the 2-year period that the construction activity lasts. INA § 203(b)(5)(E)(v)(II)(cc).

Effective as of the date of this notice, and as discussed further below, USCIS approves the Regional Center's request.

I. Determination of EB-5 Compliance for an initial I-956F, Application for Approval of an Investment in a Commercial Enterprise

Through this Form I-956F and the documents submitted, the Regional Center requests determination of EB-5 compliance for an initial I-956F, Application for Approval of an Investment in a Commercial Enterprise. The Regional Center presented evidence asserting that 100 investors will invest \$80,000,000 into EB5AN Twin Lakes Georgia Fund XXI, LP – the new commercial enterprise (NCE). The NCE will lend the entire amount to KH Twin Lakes Upstream Borrower, LLC, which will in turn lend the money to KH Twin Lakes, LLC, the job creating entity (JCE). The JCE intends to develop Twin Lakes Georgia, a master-planned community consisting of approximately 1300 single-family homes and associated amenities; located at 118 Hartwell Ct, Hoschton, Georgia 30548.

After review of the documents submitted in connection with this request, USCIS has determined that the Regional Center has demonstrated that the initial I-956F, Application for Approval of an Investment in a Commercial Enterprise complies with EB-5 requirements.

The Regional Center asserts construction activity will longer than 2 years. Therefore, USCIS approves the Form I-956F based on evidence submitted indicating that the investment from EB-5 petitioners will create sufficient direct jobs and indirect/induced jobs in accordance with INA § 203(b)(5)(E)(iv)(I) to support 100 EB-5 investors².

USCIS also approves the Regional Center's assertion that the JCE is principally doing business within a rural area.

The approval of an I-956F shall be binding for purposes of the adjudication of subsequent Forms I-526E, Immigrant Petition by Regional Center Investor, filed by immigrants investing in the same offering described in this I-956F application, and of petitions by the same immigrants filed under INA § 216A unless—

² INA § 203(b)(5)(E)(iv)(I) permits aliens seeking admission to satisfy only up to 90 percent of the job creation requirement with jobs that are estimated to be created indirectly through investment. An employee of the new commercial enterprise or job-creating entity may be considered to hold a job that has been directly created. If the jobs estimated to be created are created by construction activity lasting less than 2 years, Applicants may satisfy only up to 75 percent of the job creation requirement with jobs that are estimated to be created indirectly through investment. INA § 203(b)(5)(E)(iv)(II). If the number of direct jobs estimated to be created has been determined by an economically and statistically valid methodology, and such direct jobs are created by construction activity lasting less than 2 years, the number of such jobs that may be considered direct jobs for purposes of clause (iv) shall be calculated by multiplying the total number of such jobs estimated to be created by the fraction of the 2-year period that the construction activity lasts. INA § 203(b)(5)(E)(v)(II)(cc).

Re: Initial I-956F, Application for Approval of an Investment in a Commercial Enterprise
INF2460008525

On March 4, 2024, EB5AN Affiliate Network Southeast Regional Center, LLC (“the Regional Center”) filed a Form I-956F to request an Initial I-956F, Application for Approval of an Investment in a Commercial Enterprise in accordance with section 203(b)(5)(F) of the Immigration and Nationality Act (“INA”). The Regional Center was initially approved for designation in the Regional Center Program (“the Program”)¹ on July 16, 2014.

Specifically, the Form I-956F requests the following:

- Determination of EB-5 compliance for initial I-956F, Application for Approval of an Investment in a Commercial Enterprise.

¹ INA § 203(b)(5)(E) and its predecessor at Sec. 610 of the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act of 1993, Pub. L. 102-395 (repealed by the EB-5 Reform and Integrity Act of 2022, Div. BB of the Consolidated Appropriations Act, 2022, Pub. L. No. 117-103).

Effective as of the date of this notice, and as discussed further below, USCIS approves the Regional Center's request.

I. Determination of EB-5 Compliance for an initial I-956F, Application for Approval of an Investment in a Commercial Enterprise

Through this Form I-956F and the documents submitted, the Regional Center requests determination of EB-5 compliance for an initial I-956F, Application for Approval of an Investment in a Commercial Enterprise. The Regional Center presented evidence asserting that 100 investors will invest \$80 million into EB5AN Twin Lakes Georgia Fund XXII, LP – the new commercial enterprise (NCE). The NCE will loan the entire amount to KH Twin Lakes Upstream Borrower LLC, which will in turn loan the entire amount to KH Twin Lakes LLC, the JCE. The JCE will use the funds to help finance a new single-family home community of approximately 1,300 single-family residential homes in Hoschton, Georgia.

After review of the documents submitted in connection with this request, USCIS has determined that the Regional Center has demonstrated that the initial I-956F, Application for Approval of an Investment in a Commercial Enterprise complies with EB-5 requirements.

The Regional Center asserts construction activity will last longer than 2 years. Therefore, USCIS approves the Form I-956F based on evidence submitted indicating that the investment from EB-5 petitioners will create sufficient direct jobs and indirect/induced jobs in accordance with INA § 203(b)(5)(E)(iv)(I) to support 100 EB-5 investors².

USCIS also approves the Regional Center's assertion that the JCE is principally doing business within a rural area.

The approval of an I-956F shall be binding for purposes of the adjudication of subsequent Forms I-526E, Immigrant Petition by Regional Center Investor, filed by immigrants investing in the same offering described in this I-956F application, and of petitions by the same immigrants filed under INA § 216A unless—

(I) the applicant engaged in fraud, misrepresentation, or criminal misuse;

² INA § 203(b)(5)(E)(iv)(I) permits aliens seeking admission to satisfy only up to 90 percent of the job creation requirement with jobs that are estimated to be created indirectly through investment. An employee of the new commercial enterprise or job-creating entity may be considered to hold a job that has been directly created. If the jobs estimated to be created are created by construction activity lasting less than 2 years, Applicants may satisfy only up to 75 percent of the job creation requirement with jobs that are estimated to be created indirectly through investment. INA § 203(b)(5)(E)(iv)(II). If the number of direct jobs estimated to be created has been determined by an economically and statistically valid methodology, and such direct jobs are created by construction activity lasting less than 2 years, the number of such jobs that may be considered direct jobs for purposes of clause (iv) shall be calculated by multiplying the total number of such jobs estimated to be created by the fraction of the 2-year period that the construction activity lasts. INA § 203(b)(5)(E)(v)(II)(cc).
